

10.00	Registration / Refreshments / Networking			CALEDONIAN SUITE FOYER
10.30	Chair's Welcome			CALEDONIAN SUITE Dr Joanne Leitch Consultant Clinical Scientist / Head of Assisted Conception Unit NHS Greater Glasgow & Clyde
10.40	Our Role at NHS Education for Scotland in supporting postgraduate scientist training			Dr Robert Farley Healthcare Science Programme Director NHS Education for Scotland
11.00	Healthcare Science Leads and Local Trainee Networks			Professor David Keating Head of Medical Physics and Clinical Engineering / Healthcare Science Lead NHS Greater Glasgow & Clyde
11.20	Workshops			Melissa Leitch Specialty Lead - Healthcare Science NHS Education for Scotland
11.30	Workshop Session 1 (see page 3 for workshop outlines)			
	1. 2017 Survey & ARCP Andrew Davie and Melissa Leitch , Specialty Leads - Healthcare Science, NHS Education for Scotland	2. Research and Development Stories Dr Lizzie Hill , Sleep Physiologist, NHS Lothian Dr Paula McDonald , Quality Lead / Biomedical Scientist / Clinical Scientist, NHS Tayside Dr Ruth Hamilton , Consultant Clinical Scientist - Vision Sciences, NHS Greater Glasgow & Clyde	3. Training Plans Matter Dr Robert Farley , Healthcare Science Programme Director, NHS Education for Scotland	4. CPD - What Impact? John McKinlay and Eleanor Humphreys , Specialist Leads - Organisational Development, Leadership and Learning, NHS Education for Scotland Simon Williams and Rob Coward , Principal Educators, NHS Education for Scotland

12.30	Lunch / Poster Exhibition / Networking			CALEDONIAN SUITE FOYER
1.15	Chair's Welcome Back Virtual Reality in Healthcare			CALEDONIAN SUITE Dr Joanne Leitch Dr Jonathan Ashmore MRI Physicist NHS Highland
1.40	Engaging with the Public via STEM			Catherine Reynolds Trainee Clinical Scientist - Assisted Conception Unit NHS Greater Glasgow & Clyde
2.00	Workshop Session 2 (see page 3 for workshop outlines)			
	1. 2017 Survey & ARCP Andrew Davie and Melissa Leitch, Specialty Leads - Healthcare Science, NHS Education for Scotland	2. Research and Development Stories Dr Lizzie Hill, Sleep Physiologist, NHS Lothian Dr Paula McDonald, Quality Lead, Biomedical Scientist and Clinical Scientist, NHS Tayside Dr Ruth Hamilton, Consultant Clinical Scientist - Vision Sciences, NHS Greater Glasgow & Clyde	3. Training Plans Matter Dr Robert Farley, Healthcare Science Programme Director, NHS Education for Scotland	4. CPD - What Impact? John McKinlay and Eleanor Humphreys, Specialist Leads - Organisational Development, Leadership and Learning, NHS Education for Scotland Simon Williams and Rob Coward, Principal Educators, NHS Education for Scotland
3.05	Summary of the day and Q&A			Dr Robert Farley & Workshop Leads
3.30	Poster Awards and Closing Reflection			Dr Joanne Leitch
3.35	Refreshments / Networking			CALEDONIAN SUITE FOYER

Workshop Session Outlines

1. 2017 Survey & ARCP

Some results and trends. Are we asking the right questions?

Could trainees be a proxy for patient experience?

Why we monitor and what we found.
How can we improve the process?

Andrew Davie and Melissa Leitch,
Specialty Leads - Healthcare Science,
NHS Education for Scotland

2. Research and Development Stories

Postgraduate and beyond

Dr Lizzie Hill, Sleep Physiologist, NHS Lothian

Dr Paula McDonald, Quality Lead,
Biomedical Scientist and Clinical
Scientist, NHS Tayside

Dr Ruth Hamilton, Consultant Clinical
Scientist - Vision Sciences, NHS Greater
Glasgow & Clyde

3. Training Plans Matter

NES commissioning is predicated on some form of training plan, whether for STP rotations or Common Core List bursary support.

What is a model plan?

Dr Robert Farley, Healthcare Science
Programme Director, NHS Education for
Scotland

4. CPD - What Impact?

Leadership development is essential for our scientific workforce. Our Early Career offer is well established and popular.

Can we make it even better with your help?

John McKinlay and Eleanor Humphreys, Specialist Leads -
Organisational Development, Leadership
and Learning, NHS Education for
Scotland

Simon Williams and Rob Coward,
Principal Educators, NHS Education for
Scotland
