live your potential

“Seeing myself as a leader – we are all in it together”

project lift
live your potential

Who says I'm a leader?
Why altogether?

What does a leader look like?

What is it that is expected of all of us as leaders?

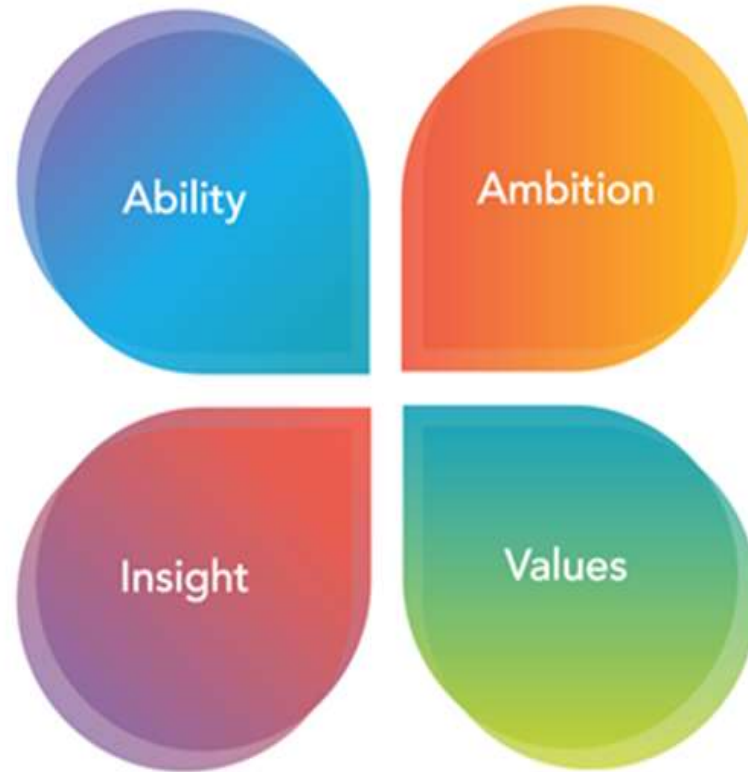

project lift
live your potential

-  People
-  Purpose & connections
-  Kindness & compassion
-  Humility, curiosity & inclusivity
-  Diversity
-  Choice & responsibility
-  Collaborative & collective approaches

Seeing myself as a leader – capturing my contribution

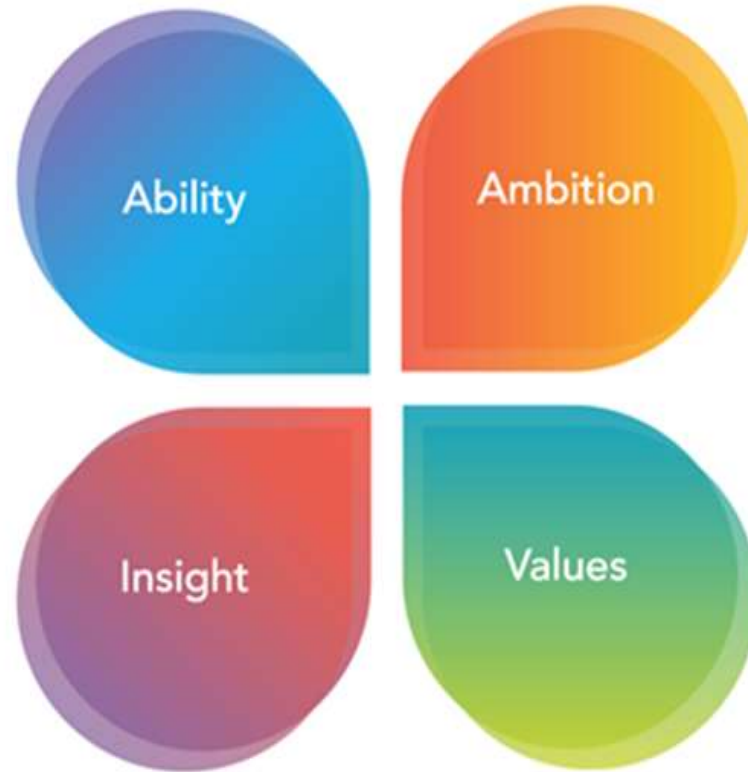

1. How do you maintain a positive outlook in your role ?
2. How do you inspire others?
3. What is your contribution to the team you are part of?
4. What do others (in your team/patients & families) think about you – what do they say?

5. What is really important to you in the workplace?
6. What can you do about that?
7. How can others help you in the team too?
8. What makes you do what you do?

Seeing myself as a leader – what have we said about ourselves?

1. How do you maintain a positive outlook in your role ?
2. How do you inspire others?
3. What is your contribution to the team you are part of?
4. What do others (in your team/patients & families) think about you – what do they say?

5. What is really important to you in the workplace?
6. What can you do about that?
7. How can others help you in the team too?
8. What makes you do what you do?

Your table top challenge -
Us as leaders

What else do you need to capture on your question sheet for yourself?

In it together...

The screenshot shows a web browser window with the URL <https://learn.nes.nhs.scot/506/leadership-and-management-zone>. The page features a teal header with the logo for 'Organisational Development, Leadership & Learning' and the title 'Leadership and Management Zone' with the tagline 'Strengthening leadership and management at all levels of health and care'. A search bar is located in the top right corner. Below the header, a breadcrumb trail reads 'Learn Home > Leadership and Management Zone'. The main content area includes a left-hand navigation menu with options: 'Leadership and Management Zone', 'Health and care leadership pathway', 'People and resource management pathway', and 'Managing and leading quality improvement pathway'. The main content area contains a welcome message, a description of the zone's purpose, and a featured section titled 'The Leadership and Management Framework in 4 minutes!' which includes a video player and a list of benefits. A 'Helpdesk' button is visible on the right side of the page. The Windows taskbar at the bottom shows the date as 31/10/2019 and the time as 07:36.

Project Lift

The Project Lift approach seeks to identify, support, enhance and grow leadership talent at all levels within NHSScotland. By doing this, it will transform our services and improve the experience of our people.

Visit the Project's dedicated website to find out more about how it can help you reach your potential.

Leadership development resources

This page provides access to readily available development resources and activities for leaders interested in developing themselves, and others, as leaders. They are available and useful to all levels, geographies and professions across Scotland.

The 6 Health & Social Care Leadership Capabilities

These 6 eLearning modules will aid your own reflections in how you practice leadership, challenge your thinking and see your context from other perspectives.
