

Welcome

By the end of this presentation, you'll have a better understanding of:

- **What is the Career Development Framework?**
- **Who the framework is for**
- **What the framework can be used for**
- **Resources to support you using the framework**
- **Where to find the framework**

What is the Career Development Framework?

Healthcare Support
Worker (HCSW) Learning
Framework

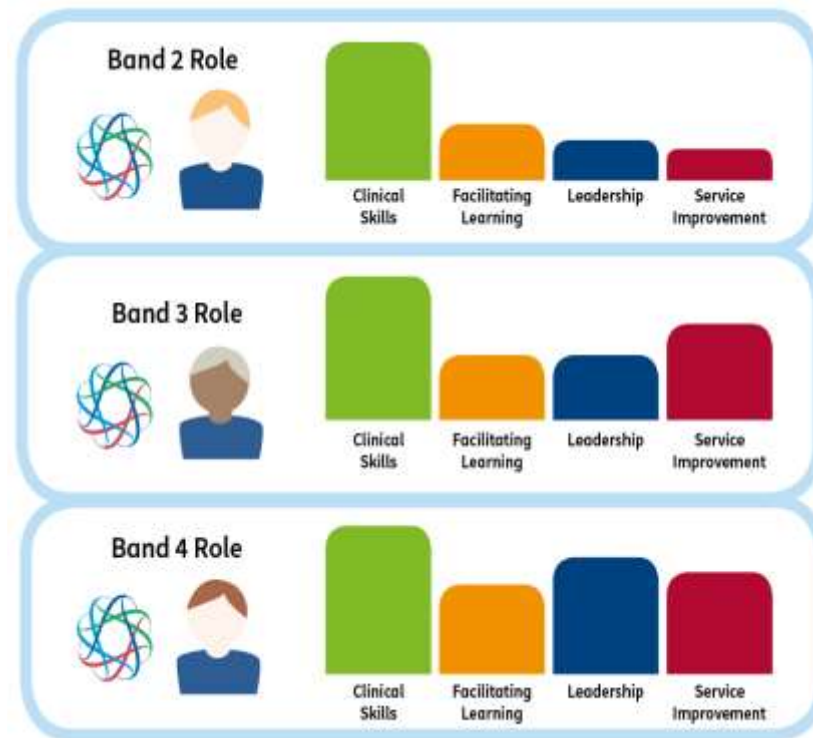

Bridge from HCSW
to Practitioner

NMAHP Post
Registration
Career Framework

Who is the framework for?

What the framework can be used for

- Fully develop in your current Clinical HCSW role
- Understand and prepare for a higher banded post
- Make informed choices about the right learning for you
- Support meaningful conversations in KSF/Personal Development Plan meetings

- Am I clear about differences between HCSW roles at Bands 2, 3 and 4?
- What skill mix is right for my team/the service I lead?
- What can I do as a manager to help staff engage with learning?
- Can be used to support meaningful PDPR conversations

Navigating the bridge between HCSW and Practitioner

NMC Nursing &
Midwifery
Council

hcpc health & care
professions
council

Resources to support you using the framework

Learning activities to support each pillar of practice

- use the pillars of practice to identify what you would like to learn
- The learning resources can be accessed on Support Worker Central at: [learning activities](#)

Professional portfolio - Turas Professional Portfolio
(Recognition of Prior Learning (RPL) is available to all Support Workers who wish to record evidence of their learning:
[portfolio](#)
