NHS Education for Scotland, in collaboration with the Scottish Government and Higher Education institutions across Scotland, invites you to take part in our Allied Health Professions (AHP) hybrid conference.

Target Audience:

- AHPs, AHP Health Care Support Workers (HCSWs), AHP students, and others who support AHP practice-based learning
- Those working across health and social care, local authorities, Further and Higher Education institutions, third sector, and other sectors in Scotland

By attending the conference the AHP workforce will:

- develop awareness of key themes from AHP Education and Workforce review and the Scottish Government funded AHP practice placement recovery projects
- have understanding of resources and work underway to support their practice across the five key areas of the **National Health and Social Care Workforce Strategy** (Plan; Attract; Train; Employ; Nurture)
- be able to explore how they can apply their learning into practice
- be able to engage in opportunities to network and share ideas and practice
